Toronto, Canada

Toronto is the perfect place for younger students to visit and experience the thrill of studying abroad. Toronto is a **safe** and **clean** city, with a rich selection of *cultural, artistic, and entertainment* attractions. Living in Toronto also gives students the opportunity to visit famous places like Niagara Falls and Ottawa, in addition to great local sites like the CN Tower, Casa Loma, and Rogers Centre.

Come and experience why we have been ranked as one of the best cities in the world in which to live!

Seasons:

Summer: Toronto summers are hot – with bright sun and warm breezes from the lake. In the summer, people love to get outside and enjoy the beautiful beaches, green parks, or one of Toronto’s famous weekend festivals!

Winter: Canadians love the winter, because there is so much to do in the snow. Skiing, snowboarding, skating, and tobogganing are some of our favourite winter activities. For some students, it is their first time seeing snow, and it is a truly amazing experience!
